JV kids

Camlyn Russler

My favorite JV kid is Camlyn Russler, of Dry Valley, Lewistown, because of her ability to light up a room with her smile. Camlyn enjoys being involved with her peers and puts forth a good effort in all she does. Camlyn participates in Mifflin County Youth Soccer, YMCA indoor soccer and gymnastics. She enjoys getting out, getting exercise and socializing with friends. Camlyn is our little hero as she courageously lives with and battles epilepsy.

Karsten Russler

My favorite JV kid is Karsten Russler, of Dry Valley, Lewistown, because of her ability to give 100 percent in the classroom and in her sports. Karsten's achievements are due to her confidence, perseverance and the innate want to succeed. Karsten participates in Mifflin County Youth Soccer recreational league and spring travel, YMCA indoor soccer and gymnastics. Karsten's newest endeavor this year was being part of the junior Juniata Valley Striders cross-country this fall. She raced between 2K-5Ks and did very well in her age group, earning many medals and ribbons.

Kierra Russler

My favorite JV kid is Kierra Russler, of Dry Valley, Lewistown, because of her ability to keep working hard both on and off the playing field. She played goalie and striker for the Husky junior high girls team this year and continues to work on her skills on the off season through open gyms and tournaments. Kierra has created a good balance between work and play, putting academics first. Soccer has taught her not only to be a team player, but also time management and organization.
