A manufacturing company serving healthcare and retail markets worldwide.

First Quality Enterprises, Inc., is a privately-held group of manufacturing companies who are leaders in their respective field. Our closely-held, diversified group of companies manufactures, sells and distributes branded and private label absorbent hygiene, paper and non-woven products into the healthcare, retail and commercial channels.

First Quality is experiencing dramatic growth and has dynamic expansion plans for the future. As one of Central Pennsylvania's largest employers, we are more than just products, companies and machinery...We are a team of devoted talented employees that epitomize the First Quality name.

First Quality offers incredible benefits including:

E 401K

Dental

D Quarterly Incentives

Medical

Bonuses

Vision

Competitive Vacation Plan

I Tuition Reimbursement

The company's philosophy and work environment has been created by an ownership that places a premium on integrity, honesty and teamwork. As important as a candidate's qualifications, is their ability to work closely with their colleagues and strive in a politics and ego free atmosphere.
