Jackie Shade

My favorite JV Kid is Jackie Shade, of Lewistown (pictured with Taylor Ruble, a 10th grader). She is a junior at Mifflin County High School. Every day she stops in Ms. Moore's Life Skills Class and talks to the students in that classroom. She takes time with each student, and they look forward to her visits each day. She takes some of the students (in wheelchairs) on walks in the hallway and helps with their breakfast, too. She makes it a point to know what each student is interested in, how their day is going, and what they have planned for the day after school. She has helped with the annual Special Olympics Track and Field day for the last couple of years, and encourages each athlete to do their best. And she is there to cheer them on as well.

The staff in this classroom also looks forward to her 'checking in' each day. She definitely puts a smile on everyone's face and makes their day a 'great' day. We are very proud to have a friend like Jackie in our lives.

Tirzah Hosler

My favorite JV Kid is Tirzah Hosler, of Port Royal, because she dances 10 hours a week, participates in 4-H, is active in school activities and her church, and still remains on the distinguished honor roll, ranking in the top 10 percent of her class.

Ashlin Zook

My favorite JV Kid is Ashlin Zook, of Locust Run, because she stands up for others when they are being bullied, pledged to follow God, and always strives to be a good person no matter what others may think of her.
