Rhyming poems:

"Christmas Time"

By Jade Morningstar

Christmas joy all around,
Sparkling snowflakes falling to the ground,
Shoppers shifting all around,
Sounds of Santa all around.

Children running down the stairs,
Spreading all the Christmas prayers,
Cooking warm, crispy treats,
Christmas carolers singing different beats.

"My Baseball Skills"

By Brian Yetter

Baseball is an awesome sport.
I hope we have a good ESPN report.
Hitting a home run is great.
When it's gone I celebrate.

Catching is a rough position to play.
I have fun playing it every day.
Baseball is not a boring sport,
And my parents give me good support.

"Walking in the Snow"

By Christa Hagans

Let's go walking in the snow,
Walking, walking on tiptoe.
Lift your right foot way up high,
Then your left foot; keep it dry!
All around the yard we skip,
Watch your step, or you might slip.

"Peacock Pete"

By Jared Shelley

Peacock Pete is an outstanding bird
His beautiful colors are so bright
He is surely a wonderful sight

When he spreads his tail
It's like a shimmering sail
And his call can be heard all around

"My Cat"

By Casey Laky

My cat loves to frolic with me.
If you come over you'll see.
I will never let my cat mount up a tree,
And I hope she never gets a flea!

When we lie on my bed, she stays,
Her crossed paws make it look like she prays.
She gets into my crafting stuff.
My gram lovingly calls her Muff.

Oh, how I adore my cat Cutie.
How she plays with me is her duty.
Oh, how you can definitely see,
My cat loves me!

"Pizza"

By Gavin Collins

Pizza is a wonderful food,
It puts me in a good mood.
So savory and super saucy,
Don't take my pizza, or I'll get bossy.

I like cheese; I think it's the best.
All gooey and stringy, it's better than the rest.
Extra toppings, five are good for some,
No, not me, I'll take cheese "Yum yum."
