SPRING SPORTS PREVIEW

Mustangs

Continued from Page 12

shortstop for us, Sara Shambach. She has been real impressive," Voss said. "I kind of have to remember she is just a freshman because she still is a little bit raw."

tling for a position as well.

"I don't know where she is going to be but she is challenging to start this year want them to say, 'Wow!

The goals for this year's

all coaches give but we alrecord and make it in to the postseason. Once you get into the postseason, you never know what's going to happen. That's always as goal of ours to do that."

Voss said he wants the Emily Hackenberg, an- other teams in the Heartland our strongest part of the other freshman, will be bat- to think of Midd-West as a contender, not a team they don't have to prepare for.

the limit," he said.

from last year. I don't want be what Voss sees as the us."

to give the same cliche that strength of this year's team.

"We are really young, we ways want to make the .500 have been out a couple times. We could start two freshman in the infield, we could have a freshman in the outfield. Really, I think our strength will be our senior leadership," Voss said. "I think that is going to be game. I have seen that in practice with our seniors, how they are pushing the "When they play us we younger girls. Our seniors are setting the example of at the varsity level," Voss That team really took us to what the varsity players should act, how they should Despite the notable prepare and the effort that is team is a simple one, he youngsters in the lineup, needed. I really hope our said: "We want to improve senior leadership seems to seniors are going to lead
